14.11.11 VISIT TO *Viridor* FORD RECYCLING FACILITY

Have you ever wondered how all the different materials thrown into the Blue Top Bin are separated into recyclable, marketable waste products? The visit to Viridor's state-of-the art Materials Recycling Facility will open your eyes to how far waste technology has advanced to enable the District and Borough Councils to utilise what we throw away and to help West Sussex achieve a 45% recycling rate.

We will be gathering at the Ford plant in Ford near Arundel at 2pm, to be welcomed by the Education Officer, Jennifer Hake, for an information session lasting approximately 2 hours, starting in the Company's Education Centre. There will be the opportunity to go onto a viewing platform to see the Facility in action as it sorts recyclables collected from homes across West Sussex.

Minimum and maximum group size limits apply and not more than 14 visitors can be accommodated at any one time. Please note that this the only date we have been able to get this year, so bookings to 01903 743 503 or to peter@wiggonholt.org will be taken strictly on a first come, first served basis. Those joining will be sent full instructions and will be asked to share cars, as visitor parking is limited. There is no charge.

The Wiggonholt Association's Christmas Party

Rackham Old School, Rackham

Wednesday 14th December at 7.30pm

An evening of mulled wine, mince pies and entertainment from "Sussex's Silliest Singing Solicitor", JOHN JOSEPH, with a programme of songs, sketches and monologues, that are witty, satirical and altogether very funny. You will never know what to expect next!

NO CHARGE TO MEMBERS. For member's guests, we suggest a donation to the Association's Funds.

Please notify your attendance - 01903 743 503 or peter@wiggonholt.org
