

More than a Christmas Party!

It was *Almost a Christmas Party* but we have up-graded plans for our get-together at the Greenpower Headquarters on the 11th December. The programme will now include a distinguished guest speaker and the refreshments too, will be up-graded with more festive fare to reflect the advent of Christmas .

THE GREENPOWER CENTRE
Arundel Road, Fontwell, BN18 OSD
Saturday 11th December at 3pm

Our Guest Speaker, Dr Tony Whitbread, Director of Sussex Wildlife Trust:

“Climate change is one of the greatest challenges of our time. The changes that I believe we have to make will be exciting and forward-looking. They will produce a better world, richer in wildlife and providing the ecosystem services on which we so much depend.

Come and share my rose-tinted spectacles!”

Dr Whitbread’s illustrated talk “Climate change - stimulus for a brighter future” lasts just under 30 minutes. It will be followed by committee member Michael Joseph, who, acting as chief scrutineer of the Greenpower Electric Car Finals, will say a few words about the big race of the year. **After that it’s party time.**

*This is an invitation from **THE WIGGONHOLT ASSOCIATION** to its members, to the Fordingbridge and Greenpower teams and the non-member residents of Wiggonholt, to join us as our guests.*

The Greenpower Centre could not be easier to reach:

Follow the A29 southwards towards Bognor until you reach the first A27 roundabout. Turn left towards Arundel and after half a mile turn right through the central reservation gap, signed ‘Engineering Works’. There is ample parking.

!!!To help preparations: if you have not already booked for this event and are coming, please let us know by phoning 01903 743 503 or emailing peter@wiggonholt.org
